CELEBRATION

A Wonderful Achievement for Stefano Negrini and PREPARE-REHAB

We have some fantastic news to celebrate!

Warmest congratulations to **Stefano Negrini**, a valued member of the PREPARE-REHAB community, on receiving the *King Salman International Award for Disability Research*.

This international award recognises Stefano's remarkable contribution to disability and rehabilitation research, as well as the influence of his work across the field. We are delighted to see his expertise, dedication and long-standing commitment recognised on an international stage.

> **For PREPARE-REHAB, this is also a very special achievement. Stefano's recognition reflects the calibre of the people contributing to the project and the shared commitment across the consortium to advancing rehabilitation research and improving practice.**

We are incredibly proud to celebrate this moment with Stefano and send him our warmest congratulations on this well-deserved honour.
